

SAFEMARK[™]
SYSTEMS

**Durable by design...
practical by experience.**

Safemark's Millennium 5.0[™] was designed with today's guest in mind—large enough to accommodate a laptop, plus ample space for purses, cameras, iPod's, cell phones, and many other travel accessories. It's user-friendly, illuminated keypad makes for easy viewing by all guests, especially the elderly. Operationally, the Millennium 5.0[™] safe and industrial strength Electronic Handheld Override (EHO) are easy to learn and simple to operate. Your property can attain the ultimate peace of mind by choosing our optional Medeco[™] UL-rated fail safe override key system.
